## Placing Procedure and Award Policy:

### Approved ApHC Classes

Four sets of ApHC points will be given in all ApHC-approved Youth, Non-Pro and Open events offered. ApHC points will be awarded based on each of the judge's final placings. Ties on each individual judge's card will be broken by the judge's discretion or by flip of a coin.

### Placings

Each class is placed through the 8<sup>th</sup> place. Results for each judge will be announced.

To calculate the International German Championship placings the results of each judge will be summed up. The horse with the highest value becomes International German Champion, the horse with the second highest value International German Reserve Champion and so on. In all classes the 4 placings are accredited by the number of captured horses but maximal 7 plus one, and then summed up over all judges. Example: If 5 horses have been entered a class, 5 points for the 1<sup>st</sup> place, 4 points for the 2<sup>nd</sup> place, 3 points for the 3<sup>rd</sup> place, 2 points for the 4<sup>th</sup> place and 1 point for the 5<sup>th</sup> place are accredited and then summed up over all 4 judges.

The International German Champion is placed as well through the 8<sup>th</sup> place and awarded with ribbons (with neckband for the Intern. German Champion). The Intern. German Champion, Intern. German Reserve Champion and Bronze Medal winner will receive a gold, silver or bronze medal. Ties will be broken by the tie-breaker judge determined at the beginning of the show.

### Championship Titles

The title of International German Champion will be awarded as follows:

- ◀ 1 or 2 starters → no titles will be awarded
- ◀ 3 & more starters → German Champion (Gold Medal), German Reserve Champion (Silver Medal) and Bronze Medal

### All-Around Awards

All-Around Awards will be given for Youth, Non-Pro and Open classes. The horse and rider couple with the highest amount of German Championship points is called All Around Champion. The horse and rider couple with the second highest amount of German Championship points is called All Around Reserve Champion. Both Champions will be awarded an Pokal.

In the event of a tie for an All-Around Award (both Champion and Reserve), the following system will be used to resolve the tie.

1. The horse competing and placing in the most categories.
2. The horse earning the most German Championships.
3. The horse earning the most German Reserve Championships.
4. Flipping a coin.

Other classes are not part of the All-Around calculation.

### Jackpot Classes

Here no Intern. German Championship titles are awarded. Placings are determined by the same method as for non-jackpot classes (rule see above). Payout scheme refers to NRHA rules.

### Sponsor Awards

Special awards given by our sponsors may be distributed to horses entered and shown in classes during the International German Championship Appaloosa Show.
